### The Hickory Floor Plan

If contemporary functionality is what you are looking for, then look no further than The Hickory. With 1,932 square feet of thoughtfully designed living space, three bedrooms, and two and a half bathrooms, The Hickory is crafted to balance everyday comfort with modern style. Step inside and be greeted with a striking high-ceiling entryway that leads into the open-concept living area. The great room, dining area, and kitchen flow seamlessly together, centered around a beautiful, upgraded gourmet island that's perfect for gathering and entertaining. Just off the great room, the first-floor owner's suite provides a peaceful escape, featuring upgraded tray ceilings, a spacious walk-in closet, and a deluxe bathroom with a large shower with a built-in seat. Upstairs, a generous open loft offers a flex space that can easily become a media room, playroom, or whatever suits your lifestyle. Two secondary bedrooms, each with walk-in closets, along with a full hallway bathroom to complete the...
