### The Cherry Grove Floor Plan

Starting at almost 1,700 square feet, the Cherry Grove is a spacious retreat complete with coastal-inspired architectural accents, outdoor living areas, and an enormous great room. This unique model offers an optional second floor, creating a home that features up to four bedrooms and three full bathrooms. Enter Cherry Grove from a covered front porch or two-car garage and easily unload in a large drop zone area. Stroll through the laundry room into the great room and connecting the dining area. From the dining area transition to a picturesque covered porch that you can utilize all year-round. Here, you'll enjoy peaceful evenings or a morning sunrise right from your back door! The owner's suite, among two additional first-floor bedrooms, features his and her walk-in closet, tray ceiling, double vanity, and deluxe seated shower. Also, add a second floor for a fourth bedroom, additional bathroom, loft, or unfinished storage space. With endless possibilities for personalizing this model, the Cherry Grove is bound to be your perfect fit!
