

## Coastal Club of the Carolinas Community

### The Cherry Grove Floor Plan

Starting at almost 1,700 square feet, the Cherry Grove is a spacious retreat complete with coastal-inspired architectural accents, outdoor living areas, and an enormous great room. Enter Cherry Grove from a covered front porch or two-car garage and easily unload in a large drop zone area with a bench for seating. Stroll through the laundry room into the great room and connecting dining area, which makes for an enormous space. From the dining area, transition to either a picturesque covered porch. Here, you'll enjoy peaceful evenings or a morning sunrise right from your back door! The owner's suite, among two additional first-floor bedrooms, features his and her walk-in closet, tray ceiling, double vanity, and deluxe seated shower. Call this your home, today!
