The Concerto Floor Plan

$469,900

These 2,667 square feet of space are for any family on the go during the week and for those who love to lounge on the weekends. The Concerto plan offers a spacious lifestyle with four bedrooms. The open-concept kitchen and great room create an extensive floorplan broken up with a kitchen island and breakfast nook. Plus, with a covered rear porch, who says you can't enjoy your morning coffee outside? Once you head upstairs, you will find a vast loft area. It's the perfect spot for that media room, playroom, or workout spot you have been looking for. After a long day, you will feel like you are living a life of luxury once you step into the Owner's Suite. With an upscaled L-shaped walk-in closet and a double sink vanity, your daily routines will no longer become a hassle. The Concerto is for anyone who wants to live in a home that makes you say "Ahhhhhhhh" on a Friday night in.
