### The Holly Floor Plan

From the moment you walk into the Holly floorplan, you'll see why Chesapeake Homes has a reputation for creating livable, functional spaces that you and your family will enjoy for years to come. Featuring 2,343 square feet of living space, four bedrooms, and two and a half baths, the Holly showcases how form and function work together effortlessly. The open-concept layout and large, 9-foot kitchen island lend themselves to always being the home's gathering place. When you're ready to get outside, enjoy the Carolina blue skies while relaxing on your rear-covered porch. Storage space abounds in the walk-in closets that each bedroom has, so everyone is a winner with ample space. With the upgrade of a downstairs full bathroom, you can accommodate your guests with privacy and elegance.
