

## Bridgewater - Portside Village Community

### The Hibiscus Floor Plan

With 1,944 square feet of living space, the Hibiscus is one of the largest of the new Villas and offers several options that hold beauty and utility in high regard. Upon entering the home, you'll be greeted by the double-height foyer which leads you to the wide-open downstairs living space. The open concept layout and large, 7' kitchen island lends itself to always being the home's gathering place. When you're ready to get outside, enjoy the ocean air while relaxing on your rear covered porch. Upstairs, you will find two bedrooms, a full bathroom and an open loft. Utilize this space for guests to have their own little retreat. The Hibiscus is perfect for your family or revolving door of visitors who can't wait to enjoy coastal living with you.
