## The Shorebreak Floor Plan

The Shorebreak is the perfect balance between outdoor living space and a coastal-inspired interior, encouraging you to slip off your sandals and relax. Starting at 1,938 square feet, this model offers ample space, with three bedrooms, two bathrooms, and a two-car garage. As you step inside from the covered front porch, you'll immediately find yourself in an open and inviting kitchen, dining, and great room area. The sliding glass doors connect the interior with a generous 179 square foot covered porch, providing an ideal setting for warm summer evenings or gatherings with friends and family. This home has a gourmet kitchen island, tray ceiling in the great room, and a tray ceiling in the owner's suite. Continuing through the home, you'll discover a spacious drop zone and laundry area. Across from the drop zone, access your third bedroom. With the Shorebreak, you can truly kick back, relax, and enjoy the everyday comforts and spaciousness that this coastal-inspired home offers.
