The Shorebreak Floor Plan

The Shorebreak is the perfect balance between outdoor living space and a coastal-inspired interior, encouraging you to slip off your sandals and relax. Starting at 1,938 square feet, this model offers ample space, up to four bedrooms, three bathrooms, and an optional second floor above an optional three-car garage. As you step inside from the covered front porch, you'll immediately find yourself in an open and inviting kitchen, dining, and great room area. The sliding glass doors seamlessly connect the interior with a generous 179 square foot covered porch, providing an ideal setting for warm summer evenings or gatherings with friends and family. The Shorebreak offers various customization options to make this space truly your own, such as a gourmet island, tray ceiling, wall ovens, and optional fireplace locations. Continuing through the foyer, you'll discover a spacious drop zone and laundry area, equipped with convenient features like a soaking sink, extra shelving, and a bench...
