The Surfrider Floor Plan

The Surfrider plan offers the comforts of your home in a cozy package, complete with all the thoughtful details you would expect from Chesapeake Homes. Offering 2,326 square feet of space, this home shows off open concept living on a single floor. The great room, open kitchen, and dining area flow seamlessly from one room to the next. The rear-covered porch even becomes an extension of your great room, with the upgraded sliding glass doors that will lead you outside to enjoy the seasonal weather year-round. With the upgraded gourmet kitchen and island entertaining in the heart of your home has never been so easy. And finally, delight in the architectural details that will set your home apart with beautifully proportioned windows and trim work that quietly impress, as well as beautifully added tray ceilings. The Surfrider could be exactly what you are looking for in your next home. Schedule your appointment today!
