

Bridgewater - Waterside Village Community

The Newberry Floor Plan

Experience the perfect blend of outdoor living and coastal-inspired interior design in The Newberry. This 2,500+ sq ft home boasts four bedrooms, three bathrooms, and a second-floor loft with a bedroom and full bath. Step inside to find a modern kitchen, dining area, and great room with elegant tray ceilings. Luxury features abound, from the stainless steel Moen fixtures to the granite countertops and stylish grey cabinetry. Enjoy outdoor living on the covered porch or retreat to the spacious owner's suite with a walk-in closet and spa-like shower. The versatile second floor offers a fourth bedroom, loft space, and potential for storage or entertainment areas. Make everyday life feel like a vacation in The Newberry - call today!*Please call our Online Sales Consultants at 843-427-0997 to learn more about this home!*
