The Surfrider Floor Plan

The Surfrider plan offers the comforts of your home in a cozy package, complete with all the thoughtful details you would expect in a home from Chesapeake Homes. This home offers over 2,000 square feet of living space. Living is easy in The Surfrider's open concept living space. The rear-covered porch can become an extension of your great room, featuring an upgraded sliding glass door that leads you outside to enjoy the seasonal weather year-round. The great room, open kitchen, and dining area flow seamlessly from one room to the next. This home also features an upgraded kitchen space with a gourmet layout and a gourmet kitchen island. These options will enhance your home and make entertaining a breeze. And finally, delight in the architectural details that will set your home apart with beautifully proportioned windows and trim work that quietly impress, as well as the added tray ceiling to the great room. The Surfrider could be exactly what you are looking for in your next home. Schedule your appointment today! **Photos of a similar home shown
