The Seashore Floor Plan

Step into the Seashore – Where Coastal Comfort Meets Stylish Living With over 2400 square feet of thoughtfully designed first-floor living, the Seashore welcomes you with open arms and breezy, coastal-inspired charm. Enter from a spacious covered front porch into a foyer accented by an optional tray ceiling, setting the tone for the elegance and ease that follows. To your left, two generously sized bedrooms with ample closet space share a full bathroom – ideal for family, guests, or a home office setup. Just ahead, an open dining area invites gatherings. The large, gourmet kitchen island offers additional seating and expansive counter space—perfect for everything from casual brunches to holiday entertaining.
