

Bridgewater - Waterside Village Community

The Goldenrod Floor Plan

Walk into the Goldenrod with nearly 2,200 square feet of first-floor coastal-inspired features. Upon entering from a large covered front porch, discover a foyer leading to a spacious wide-open living area. Two bedrooms with large closets and a full bath are located on the left with an open dining area just ahead. An intricate coffer ceiling, built-in cabinets, and beautiful French doors create stunning architectural details. The great room area features a tray ceiling and gas fireplace. A large, gourmet island in the kitchen offers additional seating and a surplus of counter space for large dinner parties or cooking large meals. Enjoy smaller meals with an extended breakfast area looking out onto the beautiful view of your backyard. From the great room, breeze through sliding glass doors onto a large covered porch. The Goldenrod's master suite offers an enormous walk-in closet accompanied by a beautiful master bath with a deluxe seated shower and a deep soaking tub. This home also...
