The Hibiscus Floor Plan

With 1,782 square feet of living space, the Hibiscus is spacious and offers several options that hold beauty and utility in high regard. Upon entering the home, you'll be greeted by the foyer which leads you to the wide-open downstairs living space. The open-concept layout and large kitchen island lend themselves to always being the home's gathering place. As part of a natural gas community, homeowners can enjoy the added convenience and efficiency that natural gas living provides. When you're ready to get outside, enjoy the ocean air while relaxing on your rear-covered porch. Enjoy a spacious owner's retreat with a deluxe seated shower. Upstairs, you will find two bedrooms and a bathroom, providing additional space for family members or overnight guests.
