

Heritage Park at Longs Community

The Cherry Grove Floor Plan

Starting at almost 1,700 square feet, the Cherry Grove is a spacious retreat complete with coastal-inspired architectural accents, outdoor living areas, and an enormous great room. Enter the Cherry Grove from a covered front porch or two-car garage and easily unload in a large drop zone area. Stroll through the laundry room into the great room and connected dining area, creating an expansive gathering space. Located within a natural gas community, the Cherry Grove blends flexible living spaces with features designed for modern coastal living. From the dining area, transition to a picturesque covered porch. Here, you'll enjoy peaceful evenings or a morning sunrise right from your back door. The owner's suite, along with two additional first-floor bedrooms, features dual walk-in closets, a tray ceiling, double vanity, and a deluxe seated shower. The Cherry Grove is bound to be your perfect fit!
