

Heritage Park at Longs Community

The Wren Floor Plan

The Wren is the perfect combination of an open floor plan and functionality starting with over 1,790 square feet. Upon entering from the covered front porch, the wide-open foyer leads to a generous dining area, kitchen, and great room. As part of a natural gas community, the Wren offers the added convenience and efficiency that many homeowners appreciate in their everyday living experience. Through the foyer, you'll find a large drop zone and a bench for seating while you unload beach accessories or sand-filled clothes. Beyond the open living space, find a stunning owner's suite complete with a tray ceiling, enormous walk-in closet, double vanity, and a seated shower. Go ahead, kick your feet up, sit back, and relax among the day-to-day comforts and spaciousness of the Wren! *PHOTOS OF SIMILAR HOME*
