### The Shorebreak Floor Plan

The Shorebreak is the perfect balance between outdoor living space and a coastal-inspired interior, encouraging you to slip off your sandals and relax. Step in from the Shorebreak's covered front porch to find an open kitchen, dining, and great room area. Breeze through sliding glass doors onto a large covered porch, ideal for warm summer evenings or afternoon get-togethers. Through the foyer, you'll find a large drop zone and laundry area. Drop off beach chairs in the convenient storage space just inside the garage, as well. Across from the drop zone, get some work done in your study. Beyond the open living space, find a stunning owner's suite complete with a tray ceiling, enormous walk-in closet, double vanity, and a seated shower. Go ahead, kick your feet up, sit back, and relax among the day-to-day comforts and spaciousness of the Shorebreak! PHOTOS OF SIMILAR HOME
