

Heritage Park at Longs Community

The Redbud Floor Plan

The Redbud offers a refined take on relaxed living, blending comfort with thoughtful design. At the heart of the home, a gourmet kitchen features a spacious center island, walk-in pantry, and plenty of room for everything from casual meals to carefully crafted dishes. Just beyond the main living area, a private study framed by classic French doors creates an elegant flex space filled with natural light. Whether used as a home office, sitting room, or creative space, it also has the option to be converted into an additional bedroom, allowing the layout to adapt with changing needs. The Owner's Suite provides a peaceful retreat, complete with a tray ceiling, dual vanities, a walk-in shower with a built-in seat, and a generous walk-in closet. Off the Great Room, a covered porch extends the living space outdoors, perfect for enjoying South Carolina's mild evenings and coastal breeze. Welcome to the Redbud, where every moment is a celebration of life! *PHOTOS OF SIMILAR HOME*
