

Heritage Park at Longs Community

The Cherry Grove Floor Plan

At 1,672 square feet, the Cherry Grove is a spacious retreat complete with coastal-inspired architectural accents, inviting outdoor living areas, and an expansive great room designed for gathering. Enter from the covered front porch or two-car garage and unload with ease in the generously sized drop zone. A convenient path through the laundry room leads into the open great room and adjoining dining area, creating one large, connected living space ideal for everyday comfort and entertaining. The owner's suite features separate walk-in closets, a tray ceiling, double vanity, and a deluxe bath that feels thoughtfully designed and private. A versatile study offers the flexibility to function as a home office, hobby space, or can easily be converted into an additional bedroom to suit changing needs. With numerous opportunities for personalization, the Cherry Grove offers both comfort and adaptability in a well-balanced coastal design.
