

Heritage Park at Longs Community

The Shorebreak Floor Plan

The Shorebreak is the perfect balance between outdoor living space and a coastal-inspired interior, encouraging you to slip off your sandals and relax. With over 1,900 square feet, this home offers 3 bedrooms, two bathrooms and a two car garage. Step in from the Shorebreak's covered front porch to find an open kitchen, dining, and great room area. Breeze through sliding glass doors onto a large covered porch, ideal for warm summer evenings or afternoon get-togethers. Whether you're looking for an abundance of counter space, added seating, or a more intimate gathering area, this model's options will serve as the solution. Through the foyer, you'll find a large drop zone and laundry area. Drop off beach chairs in the convenient storage space just inside the garage, as well. Beyond the open living space, find a stunning owner's suite complete with a tray ceiling, enormous walk-in closet, double vanity, and a seated shower. Go ahead, kick your feet up, sit back, and relax among the day-to-day comforts and spaciousness of the Shorebreak!
