The Wren Floor Plan

The Wren is the perfect combination of an open floor plan and functionality with just over 1,790 square feet. Upon entering from the covered front porch, the wide-open foyer leads to a generous dining area, kitchen, and great room with a tray ceiling. On your left you will find a third bedroom. Through the foyer, you'll find a large drop zone to unload beach accessories or sand-filled clothes. Beyond the open living space, find a stunning master suite complete with a tray ceiling, enormous walk-in closet, double vanity, and a seated shower. During those warm nights, enjoy time outside cozied up in a chair on your rear extended porch. Go ahead, kick your feet up, sit back, and relax among the day-to-day comforts and spaciousness of the Wren!
