The Redbud Floor Plan

At just over 1,800 square feet, the Redbud offers a welcoming blend of comfort and functionality, perfect for entertaining or relaxing at home. The open-concept layout highlights a spacious kitchen with a walk-in pantry and center island—ideal for preparing meals, hosting guests, or enjoying takeout around the island. From the Great Room, you can step directly onto the rear porch, seamlessly connecting indoor and outdoor living while taking full advantage of South Carolina’s mild climate. The Owner’s Suite creates a private retreat with a tray ceiling, generous walk-in closet, and a spa-inspired bathroom featuring double sinks and a walk-in shower. Two additional bedrooms and a study provide versatile space for family or guests. With thoughtful designs, the Redbud is the perfect balance of everyday convenience and peaceful retreat. *PHOTOS OF SIMILAR HOME*
