The Jasmine Floor Plan

The Jasmine is thoughtfully scaled and avoids the bigger is a better approach. With 1,607 square feet of living space and a second-floor adding an additional 561 square feet, you and your guests can enjoy luxury in an efficient space. With architectural details like tray ceilings in both the great room and owner's suite, along with plenty of windows to keep your space light and airy, you'll delight in choosing the finishing details in the home. The Jasmine offers ample storage space and closets throughout the home, along with a bench and pegs in the drop zone, keeping your living spaces free from clutter. On the second floor to The Jasmine, you're able to offer guests a quiet retreat with a full bathroom, sitting area, and a private bedroom.
