### The Driftwood Floor Plan

Introducing the breathtaking Driftwood! This stunning home boasts three bedrooms and three baths, spanning over 2,700 square feet. Prepare to be amazed by its luxurious features, including a first-floor Owner's suite, enormous kitchen, outdoor living areas, loft, and ample storage space. Step inside this architectural masterpiece and be greeted by a wide, open space that seamlessly connects the great room, casual dining area, and extensive kitchen. The kitchen is a chef's dream, complete with a large island and a view of your covered porch, perfect for enjoying meals with a scenic backdrop. For more formal occasions, a separate dining room awaits, with optional French doors that set the perfect ambiance for intimate dinners or festive holiday gatherings. Beyond the dining room, discover a tranquil study or guest bedroom with a walk-in closet and a full bath, ideal for welcoming visiting relatives or creating an in-law suite. Immerse yourself in the natural beauty of the coastal region with a 300-square-foot covered porch or sunroom, offering the perfect spot to relax and soak in the views. And let's not forget about the Owner's suite! Featuring an enormous walk-in closet and
