The Surfrider Floor Plan

Welcome to the Surfrider, a thoughtfully designed one-story home offering 2,326 square feet of living space, three bedrooms, three bathrooms, and a spacious three-car garage. Blending comfort and sophistication, this home features an inviting layout designed for both everyday living and entertaining. The open-concept main living area seamlessly connects the great room, kitchen, and dining area, creating a welcoming space to gather with family and friends. Large windows and elegant architectural details add character throughout the home, while the kitchen offers ample space for preparing meals and entertaining. Just beyond the main living area, sliding glass doors lead to a large covered rear porch, providing the perfect setting to relax, enjoy the outdoors, and entertain throughout the seasons. With its spacious layout, charming architectural details, and seamless indoor-outdoor living, the Surfrider offers the perfect blend of style, comfort, and functionality. *PHOTOS OF SIMILAR...
