The Mangrove Floor Plan

Life is simply divine in The Mangrove model. A whopping 3,349 square feet of space results in a new home that's roomy enough for every member of the household. A buyer favorite, this plan offers five bedrooms and three full baths. Downstairs offers the essential space your family needs. The kitchen features a large kitchen island with lots of cabinet space, and has an added butler's pantry for additional space. A shower has been added to the downstairs bathroom to create a full bath alongside the guest suite. Perfect when guests are coming in from out of town. The second level offers endless amounts of space for all. An Owner's Suite with enormous dual closets and an upgraded spa-like Owner's bathroom makes for the perfect space away from the hustle and bustle. Three additional bedrooms and the loft means there's enough room for every member of the family to have their own peaceful retreat. See why this home could be the perfect fit for you today!
