The Mangrove Floor Plan

\$717,900

Life is simply divine in The Mangrove model. A whopping 3,349 square feet of space results in a new home that's roomy enough for every member of the household. A buyer favorite, this plan offers five bedrooms. Downstairs offers the essential space your family needs. This home boasts a gourmet kitchen with extended counter and cabinet space, a butler's pantry for additional space, and a shower to the downstairs bathroom to create a full bath alongside the guest suite. The second level offers endless amounts of space for all. An Owner's Suite with enormous dual closets and a spa-like Owner's Bath makes for the perfect space away from the hustle and bustle. Three additional bedrooms and the loft/sitting area/5th bedroom means there's enough room for every member of the family to have their own peaceful retreat. *PHOTOS OF SIMILAR HOME*
