Walk into the Goldenrod with nearly 2,200 square feet of first-floor coastal-inspired features. Upon entering from a large covered front porch, discover a foyer with an optional tray ceiling leading to a spacious wide-open living area. Two bedrooms with large closets and a full bath are located on the left with an open dining area just ahead. Choose to add an intricate coffer ceiling across from optional built-in cabinets or beautiful french doors. Create an intimate great room area with a tray ceiling or gas fireplace. A large, gourmet island in the kitchen offers additional seating and a surplus of counter space for large dinner parties or cooking large meals. Enjoy smaller meals with an extended breakfast area looking out onto the beautiful view of your backyard. From the great room, breeze through sliding glass doors onto a large covered porch. The Goldenrod's master suite offers an enormous walk-in closet accompanied by a beautiful master bath with multiple options for a deluxe seated shower or deep soaking tub. This home offers a second-floor plan that adds a bedroom, full bath, walk-in closet, and linen closet alongside a spacious loft area. ...
