The Sandalwood Floor Plan

For the growing family on the move. The Sandalwood allows for spacious living with plenty of room for storage with various walk-in closets and a two-car garage. This floorplan tops out at 2,842 square feet with 4 bedrooms, a loft, and three full baths. The first floor has a great flow for that after-work busy lifestyle. The kitchen, great room, dining room, and breakfast nook connect with minimal walls cutting off the open concept plan. Additionally, the first floor has a guest suite, which if needed can be converted into an office, gym, or media room. Right outside this area, you will be happy to find a walk-in closet and a designated drop zone bench area that leads to the garage. Upstairs find your personal retreat once you enter the large Owner's Suite with two walk-in closets and an owner's bathroom with deluxe shower options. Located outside the owner's suite are another full bath and two more bedrooms, as well as the laundry room. This placement allows for an easy day of chores and folding as all needed areas are on the same floor. The loft on this floor can ...
