The Hawthorne is a beautifully designed home that offers comfort, flexibility, and plenty of room to grow. With 2,176 square feet of thoughtfully planned space, this floor plan includes three to four bedrooms depending on your layout preferences. On the first floor, you'll find a spacious open-concept living area where the great room, dinette, and kitchen flow seamlessly together, ideal for both everyday living and entertaining. Step out on your rear covered porch for the perfect outdoor dining experience. Upstairs, all bedrooms are located together, including the impressive owner's suite with tray ceilings, a large bathroom and a large walk-in closet.
