The Poppy Floor Plan

$539,900

This 2,427-square-foot home is the perfect choice for anyone in search of a new place to call their own. The Poppy is a spacious open-concept home with a total of five bedrooms. When you step off the covered front porch, you will step into a long foyer leading to the vast great room with gas fireplace, breakfast area, and kitchen. Off the breakfast area, is a sliding glass door to your rear covered porch, perfect to support indoor/outdoor living. While one bedroom and full bath are downstairs, up the stairs we find three more bedrooms with another full bath that is equipped with a double vanity. Continuing on the second floor is the vast owner's suite. With tray ceilings, deluxue bathroom with sinks on two separate vanities and a built-in shower bench, and a long walk-in closet, this just may turn into your favorite spot in the house. Right outside this suite is the laundry room, giving the owner's suite easy access to this space. Perfect for all families, The Poppy allows...
