The Everest floor plan lives up to its name, allowing every member of the family to experience spacious living. This prominent 3,351-square-foot home gives you an open-concept living area. It includes a great room connected to the kitchen, which includes a large island and a roomy pantry to the side. Just past the pantry is a separate dining room that can be used and personalized to your lifestyle. Add a sliding barn door to the kitchen/dining entrance and double ovens to take your hosting up a notch. A guest suite and powder room are found on the first floor right past the Drop Zone located at the garage door. A full bathroom option is available for this layout, instead of the powder room. Additional available options can make this layout extra special with items such as a fireplace, butler's pantry, or third-car garage. Upstairs you can find the ...
