

## Edgewater Community The Persimmon Floor Plan

**\$549,900**

These 2,619 square feet of space are for any family on the go during the week and for those who love to lounge on the weekend. The Persimmon plan offers a spacious lifestyle with four bedrooms. The open-concept kitchen and great room create an extensive floor plan broken up with a gourmet kitchen island and breakfast nook. Once you head upstairs, you will find a vast loft area. It's the perfect spot for that media room, playroom, or workout spot you have been looking for. After a long day, take a step into your relaxing Owner's Suite, with tray ceilings that make this luxurious space even better. With an upscale L-shaped walk-in closet, a double sink vanity, and a spa-inspired bathroom, your daily routines will no longer be a hassle. On top of all of that, two generously sized bedrooms and a full bath with a double bowl vanity are located on this floor. The Persimmon is for anyone who wants to live in a home that makes you say "Ahhhhhhhh" on a Friday night in. \*Photos of Similar...
