A masterpiece of model living environments, The Sierra offers the perfect plan for larger families. With four to five bedrooms - including one bedroom on the first floor - and two and a half baths, this 2,618 square foot model performs in harmony with today's busy lifestyles. A huge and open kitchen, breakfast area, and great room will be the place to conduct your family's daily activities. If you're looking for a full open-concept home, ask about our alternate kitchen option that gives you a large standalone island. The second floor has a plethora of space to spend your days lounging. The Owner's Suite will amaze, with its immense L-shaped walk-in closet and Owner's Bath with separate tub and shower to help simplify your morning routine! If a media room or recreation room is on your new home checklist, step into this impressive loft space ...
