The Windsor Floor Plan

The Windsor is a beautiful luxurious home with space for everyone! Welcome to The Windsor with over 4,600 square feet! This floorplan holds five spacious bedrooms and four and a half baths. When you walk in the front door and enter the foyer the study and dining room greet you on either side. Continue through the first floor and be astounded by the large open great room connecting the kitchen and breakfast nook. The first floor also features a guest bedroom and full bath with a walk-in closet. Head to the second floor of The Windsor to find everyone's getaways. Here you will find the owner's suite with tray ceilings, a large walk-in closet, and an attached deluxe bathroom to make your bathroom feel more like a spa. This floor additionally features a loft area, a remote learning space, three bedrooms, and two more bathrooms. If space is number one on your list then look no further. The options are endless for making The Windsor your dream home. *Photos of Similar Home Shown
