The Azalea Floor Plan

Welcome to The Azalea model! This open-concept plan allows for natural lighting to fill the 3,016 square feet of space it offers. The spacious living room flows right into the kitchen separated only by a large island and breakfast nook. It's the perfect place to entertain family and friends. The main living area becomes even more welcoming with the rear covered porch. The first-floor layout continues to expand past the living room into a guest suite featuring an attached full bathroom, and walk-in closet. Now head to the second floor up the stairs and open the double doors to your Owner's Suite. This personal sanctuary has plenty of space with dual walk-in closets, a sitting area, and an extensive spa-inspired owner's bathroom. No worries about a crowded morning bathroom routine here, with a double sink vanity, linen closet, and separate toilet area. Three additional bedrooms and two full bathrooms, one with a double bowl vanity can also be found on the second floor. . Each room has...
