The Persimmon Floor Plan

These 2,619 square feet of space are for any family on the go during the week and for those who love to lounge on the weekends. The Persimmon plan offers a spacious lifestyle with the option of four bedrooms. The open-concept kitchen and great room create an extensive floor plan broken up with a gourmet kitchen island and breakfast nook. Plus, with a covered rear porch, who says you can't enjoy your morning coffee outside? Once you head upstairs, you will find a vast loft area. It's the perfect spot for that media room, playroom, or workout spot you have been looking for. After a long day, you will feel like you are living a life of luxury once you step into the Owner's Suite. With beautiful tray ceilings, an upscale L-shaped walk-in closet, and a deluxe spa-inspired bathroom, daily routines will no longer become a hassle. The Persimmon is for anyone who wants to live in a home that makes you say "Ahhhhhhhh" on a Friday night.
