The Azalea Floor Plan

\$687,900

Welcome to The Azalea model! This open-concept plan allows for natural lighting to fill the 3,016 square feet of space it offers. The spacious living room flows right into the kitchen separated only by a large island and breakfast nook. Upgraded with direct access to the dining room. It's the perfect place to entertain family and friends. It gets even more welcoming with the rear covered porch and great Room fireplace. The first-floor layout continues to expand past the living room into a guest suite with an attached full bathroom and walk-in closet. Now head to the second floor up the stairs and open the double doors to your Owner's Suite. This personal sanctuary has plenty of space with two walk-in closets, a sitting area, and an extensive attached owner's bathroom. No worries about a crowded morning bathroom routine here, with a double sink vanity, linen closet, and separate toilet area. Three additional bedrooms and two full bathrooms, one upgraded with a double bowl vanity, can...
