

From \$828,100

The Windsor is a beautiful, luxurious home with space for everyone! Welcome to The Windsor with over 4,600 square feet! This floorplan holds up to six spacious bedrooms and 4 and a half baths. When you walk in the front door and enter the foyer, the study and dining room greet you on either side. Continue through the first floor and be astounded by the large open great room connecting the kitchen and breakfast nook. Upgrade this space with our gourmet kitchen options, add coffered ceilings to the dining room, or add a fireplace to make the great room even cozier. The first floor also features a private multi-generational suite, with the option to include a kitchenette. This space is designed to provide both comfort and independence, perfect for extended family or long-term guests. Head to the second floor of The Windsor to find everyone's getaways. Here you will find the owner's suite with tray ceilings, a large walk-in closet, and an attached bathroom where you can add deluxe options to make your bathroom feel more like a spa. This floor additionally features a loft area, a remote learning space, three bedrooms, and two
