The Persimmon Floor Plan

A masterpiece of model living environments, The Persimmon offers the perfect plan for larger families. With four bedrooms - including one bedroom on the first floor - and three baths, this 2,618 square foot model performs in harmony with today's busy lifestyles. A huge and open kitchen, breakfast area, and great room will be the place to conduct your family's daily activities. If you're looking for a full open-concept home with plenty of kitchen island space you've found the right home. The second floor has a plethora of space to spend your days lounging. The Owner's Suite will amaze you, with its immense L-shaped walk-in closet and Owner's Bath with a separate tub and shower to help simplify your morning routine! If a media room or recreation room is on your new home checklist, step into this impressive loft space where the whole family can spend time relaxing. Generous-sized secondary upstairs bedrooms always excite future homeowners! If this plan is sounding more and more like where you want to spend your time, let us build you The Persimmon!
