### The Princeton Floor Plan

A home centered around being together. The open concept allows all 3,690 square feet to have a purpose and a place in this stunning home. The Princeton has an open first floor with the kitchen, dining room, breakfast nook, all spaced with the great room in focus. A large L-shaped chef's island and a large pantry can be found in the kitchen, as well as stacked double ovens. Spanning off the great room, there is both a full-size office, for your at-home work needs, as well as a Zoom office, perfect for those at-home meetings. Just down the hall is a downstairs guest suite paired with a full bath. The upstairs is just as spacious and grand as the first level. When you go up, you first enter a huge bonus room that can be used for whatever you want - Think home gym, playroom, media room, and so much more. Tucked away to the side of the bonus room is also a small room that can be used for storage or an eLearning space. This floor would not be complete without the Owner's suite and deluxe spa-like bathroom that features ...
