

Ashville Park Community The Roseleigh II Floor Plan

\$1,227,900

The Roseleigh II is a buyer favorite for good reason. The spacious 3,480 square-foot home has five bedrooms and four full bathrooms. Inside the home, you will be amazed by the open floor plan connecting the great room, kitchen, and breakfast nook together. This home is even more luxurious with a gourmet kitchen island, and built-in double ovens. Additionally, on the first floor is a study, a formal dining room, and a guest suite, with an upgraded full bathroom. The second level offers endless amounts of space for all. An Owner's Suite with tray ceilings, dual walk-in closets, and a deluxe spa-like bathroom makes for the perfect space away from the hustle and bustle. Three additional bedrooms, a Jack & Jill bathroom, a hall bathroom, and a media room are also on the second floor, allowing enough room for every member of the family to have their own peaceful retreat. The Roseleigh II was designed for entertaining, while allowing everyone to have their own space.
