The Covington II Floor Plan

Enter the stunning Covington II floorplan through the charming front porch or the three-car side load garage. The great room, extended breakfast nook, and kitchen all flow together. The kitchen is highlighted by a large, gourmet island and features a butler's pantry, large food pantry, and beverage station. The first floor includes a guest bedroom with a full bathroom and the powder room near the study, and the coffered ceiling dining room. The study and the remote learning room both feature glass doors to make all your working-from-home colleagues jealous. The 4,360 square feet doesn't stop with one floor, up the stairs, you will find a spacious loft, three additional bedrooms, two full bathrooms, and a remote learning room. The best room in the house is on this floor with the Owner's Suite. Designed with tray ceilings, a deluxe owner's bath, and two large walk-in closets, buyers will love this space so much they won't want to leave. The Covington II can make all your home dreams...
